Author: Frank L. Baum

A little girl named
Dorothy, from the far
off land of Kansas was
carried to the realm of
Oz by a tornado. And her
little dog, too! She met
three faithful
companions, who vowed to
help her find a way
home. There was a
scarecrow, who was on a
quest for truth, a man
of tin, who was questing
for love, and a lion,
who quested for courage.
Before their quest was
done, little Dorothy
slew the wicked witch,
freeing the land from
her evil influence. Her
friends completed their
quests, and she returned
home to Kansas.
